

Remarks

Claims 1-69 were pending in the instant case. With the above amendment, claims 2-10 and 27-69 are cancelled and claim 1 is amended. The claim cancellations and amendments are not made for any reason related to perceived patentability, but only to more particularly point out and distinctly claim the invention, or to reduce the number of claims to avoid excess claim charges. No disclaimer should be implied by any claim amendment or cancellation. Please calculate the excess claim charges after entering the above claim amendments.

Respectfully submitted
